# Welcome to Rivercatcher Weddings

An enchanted setting for a magical wedding. Surrounded by glorious countryside on the banks of the River Dee on the edge of Snowdonia National Park, Rivercatcher's small private estate becomes your exclusive wedding venue for a full weekend of celebrations.

If you are looking for something different, an intimate wedding that lasts a whole weekend then you have found your place. Rivercatcher is exclusively yours for a weekend of celebrations that you will cherish forever.

Share your wedding day with your family and friends in 5 star luxury accommodation. Breathtaking views and endless idyllic settings for beautiful photographs of your special day.

# Your Ceremony

With views of the garden and the river The Lodge is licenced for civil wedding and partnership ceremonies for up to 50 guests.

With light streaming in through our floor to ceiling windows, simply decorated with white walls and slate floors this room is a blank canvas to dress as you wish.

For larger groups who wish to make the most of the River Dee and garden views we have an oak gazebo. Our wooden Gazebo looks out over the river for a truly idyllic spot to make your vows.

# The Reception

For small intimate weddings, we can accommodate your reception in The Lodge. An addition of a small marquee attached to the lodge can also create an extra space for a dancefloor or additional bar and seating area.

For larger groups, we have the perfect location for a marquee of your choice. The space hosts a spectacular view looking out onto the Berwyn mountains as well as the River Dee, a magical spot to host a reception dinner and dance.

# Creative Catering

This is where you can design your own perfect wedding menu. This can be whatever you want as we have a host of recommended caterers that can serve up relaxed barbeques as well as fine dining.

# Accommodation

The Bride and Groom can choose to stay in the romantic Ghillie's cottage with its own private hot tub and secluded garden or in one of our new luxury log cabins with romantic outside hot tubs. Your family and friends get to join you in any or all of our five luxury cottages and four luxury log cabins.

Our cottages all have their own private hot tubs and gardens with 5 star finishes. With a five, four, three, two and our bridal 1 bed cottage there will be plenty of space for everyone. Our log cabins are all one bedroom luxury retreats with open plan living and large apex glass frontages overlooking the Berwyn Mountains.
